Hi there,

This is Melanie Lo, head of finance and sponsorship for the Base44 Education team. You are receiving this email because you are listed as the main point of contact (POC) for an event or hackathon that Base44 Education has agreed to sponsor in 2026.

Quick heads up — we've added you to our payment system, Tipalti, so we can issue your event and sponsorship payment.

You should receive an email directly from Tipalti shortly with a secure link to complete your onboarding in their Supplier Hub.

Please take a few minutes to:

1. Open the Tipalti email invitation
2. Click the onboarding link
3. Enter your payment and tax information
4. Create your portal login

This step is required for us to release your payment.

The process usually takes about 5–10 minutes. If you don't see the invite, please check your spam folder.

If you have any issues or don't receive the email within 24 hours, just reply here and we'll help get it sorted. We've also attached a short FAQ on the process.

Thanks so much — we appreciate partnering with you!

Best,
Melanie

Hi Melanie,

Thank you for the update and for adding us to the Tipalti system.

I just wanted to let you know that I haven't received any email from Tipalti yet. I've checked my inbox as well as the spam/junk folder, but there's nothing regarding the onboarding link.

Could you please re-send the invitation or verify the email address listed for the onboarding?

Looking forward to resolving this so we can complete the process at the earliest.

Best regards,
Rakesh

Hi Melanie,

Thank you for resending the invitation.

Unfortunately, I still haven't received any email from Tipalti. I've carefully checked my inbox, spam, junk, and other folders, but there's no onboarding link yet.

Could you please verify the email address entered in the system and confirm that it matches this one? If possible, you may also CC me directly on the Tipalti trigger or share a screenshot of the recipient details so we can ensure there are no errors.

Apologies for the inconvenience, and thank you for your support in getting this sorted.

Best regards,
Rakesh

Hi Melanie,

Thank you once again for your support.

We would like to inform you that we completed the Tipalti onboarding and payment process about a week ago. Since **AceHack 5.0 is now just one week away**, this is a very crucial time for us in terms of final event logistics, vendor settlements, and operational arrangements.

The sponsorship amount is extremely important for us at this stage. We kindly request you to please help expedite the transaction and release the payment at the earliest possible time.

We truly appreciate your support and partnership, and we look forward to making this event a great success together.

Best regards,

Hi Melanie,

I hope you're doing well.

We wanted to kindly request an update from your side regarding the sponsorship payment for AceHack 5.0. The event is now just **2 days away**, and we have not yet received any update regarding the invoice or payment status in Tipalti.

We completed the onboarding process earlier, but currently we are unable to see any invoice details or payment confirmation on the portal. At this stage, this amount is very crucial for our final event logistics and vendor settlements.

Could you please let us know the current status and if there is anything pending from our side? We would truly appreciate your prompt support on this matter.

Looking forward to your update.

Best regards,

Hello Rakesh,

I see you booked time with me this morning but I am unable to make this meeting, my youngest son is ill and I need to take him to the pediatrician.

As Luisa communicated in your initial sponsorship conversation, our payments take 30-60 days to process. Your sponsorship payment has been sent to our finance department and payment will be issued at the end of this month.

Thanks very much,
Melanie

Thanks again for your support and for the update regarding the payment process.

Hello Melanie & Luisa,

Thank you for the update and for keeping me informed.

As the hackathon has now been successfully concluded, we have begun processing payments for our vendors and event expenses. For this, we require the sponsorship funds at the earliest convenience.

I also wanted to mention that since Tipalti is the payment platform being used, I have not yet received any invoice or request on Tipalti to proceed further. Kindly let me know if any action is required from my side, or if the invoice process has already been initiated.

We would really appreciate any possible support in expediting this, as it will help us clear our pending payments smoothly.

Looking forward to your response.

Best regards,
Rakesh Bangra

I would really appreciate your help on this.

Thank you for your time and support.

Hello Rakesh,

Thank you for reaching out. Our finance department recently transferred us to an upgraded Tipalti system and, as part of that, we needed you to re-submit your payment details through an updated payment portal. You have already completed this step, and we're prioritizing your payment to ensure it is processed within next week.

I understand this is an additional delay and I apologize for the inconvenience. But we've ensured everything is set up correctly for payment and are expediting things as much as possible.

Thank you for your patience and partnership,

Melanie
